**VISION:** Successful and high potential farmer groups and Small and Medium Enterprises (SME's) in agribusiness with a desire to grow should be given the opportunity to do so.

**MISSION:** We offer farmer based organizations the prospect of a sustainable future. We are committed to provide training in organizational development and financial literacy to farmer based organizations and SME's in agribusiness. To make them strong organizations with the right expertise to access finance and markets.

## FOCUS VALUE CHAINS

ADC works with different value chains such as coffee, cotton, diary & livestock, vegetable oil seeds, banana, cocoa and vanilla, fruits and vegetables, root tubers, finance (SACCOs) and grains & cereals.
