

A **self sufficient** enterprise is our goal

Innovate. Collaborate. Transform.

**Agribusiness
Development
Centre**

A man in a light blue shirt is smiling and working in a cornfield. He is leaning over a corn plant, possibly inspecting or tending to it. The background shows rows of corn plants under a slightly overcast sky.

Agriculture is strategically
key to poverty reduction
in Uganda.

**Agribusiness
Development
Centre**

Agribusiness Development Centre (ADC) is a company limited by guarantee and founded by Rabo Foundation (Netherlands) and DFCU Limited (Uganda) in 2017.

Our purpose is to build the capacity of Agribusinesses that have potential to contribute Agricultural transformation in Uganda.

ADC fosters self-reliance and bankability of Farmer Based Organizations (FBO), Small and Medium Enterprises (SME) in agribusiness and Savings and Credit Cooperatives (SACCOs) through capacity building and related Business Development Services.

OUR TRAININGS;

- Marketing
- Financial Literacy
- Financial Management
- Good governance & Leadership
- Price Risk Management (Coffee & Cocoa)

These trainings are delivered through a network of Business Advisors and online.
